

R E M A R K S

In response to the office action dated March 25, 2005, attached is a Terminal Disclaimer disclaiming the terminal portion of a patent issuing on the instant application beyond that the expiration of U.S. Patent No. 6,778,824, which should overcome the rejection of the claims based on obvious-type double patenting.

The fee for the Terminal Disclaimer is to be charged to deposit account number 13-4825 of Much Shelist Freed.

It is, therefore, respectfully submitted that the present amendment places this case in condition of allowance, and an early issuance of the Notice of Allowance is respectfully requested.

Respectfully submitted,
